

INVESTING NOW TO SECURE TOMORROW'S TALENT SUCCESSION

The Canadian Mineral Industry Education Foundation (CMIEF) provides **SCHOLARSHIPS** to undergraduate students enrolled in mining, geology, and metallurgical studies at any Canadian University.

1,000+
SCHOLARSHIPS

have been awarded over
the past 20 years.

**2026 | SUPPORTING
140 STUDENTS**

enrolled in universities
across Canada.

For 61 years and counting...

CMIEF has been steadfast in its support of aspiring professionals in the mining industry. Since its inception in 1964, the foundation has awarded scholarships to undergraduate students specializing in mining, geology, and metallurgy at Canadian universities.

This enduring commitment is made possible through the generous contributions of individuals, corporations, and foundations deeply connected to the mining sector. By inspiring young talent to pursue rewarding careers within this vital industry, CMIEF is actively shaping a future where Canada is well-equipped to meet evolving demands for skilled professionals.
